### The Lost Books

Ted Dekker  
The seven lost books of history must be found if the destiny of the world is not to fall into the wrong hands. Four new recruits are chosen from thousands of hopeful warriors to lead and perhaps die for the greater good. Johnis, Silvie, Billos and Darsal--will embark on a mission to secure the lost books of history. From the first time these meet in Chosen you'll be riveted until the very end. Watch for the final 2 books that complete the CIRCLE coming June 2009.

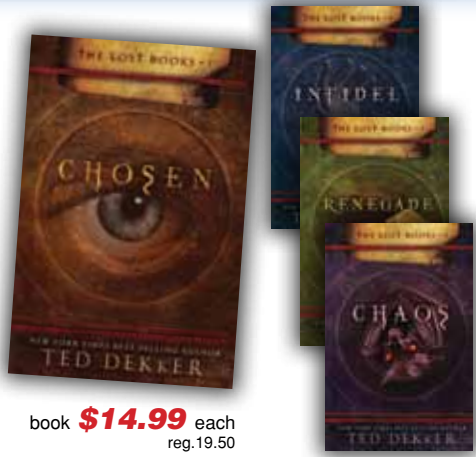

### Chosen

The land of the Forest Dwellers has been decimated by the Horde under the watchful eye of the vilest of all creatures, Teeleh. Thomas Hunter, supreme commander of the Forest Guard, is forced to lower the recruitment age of his army from 18 to 16. From among thousands, four new recruits are chosen to lead--and perhaps die--for the greater good. 9781595543639
